## STAKEHOLDER FEEDBACK ANALYSES REPORT 2022-2023

Rajeev Memorial College of Teacher Education ,in association with IQAC has developed feedback mechanism commencing with obtaining feedback from the various stakeholders through a structured rating based feedback form. The college collected feedback from various students teachers ,alumni ,employers ,teachers from teaching practice school for continuous improvement of the curriculum and enrichment .The committee members discussed about the issues raised by the stakeholders with concerned authorities. Feedback is essential for the academic development .It will help to know the strength and weakness of the curriculum. This report encloses precious information from various stakeholders .

STUDENTS FEEDBACK	
ISSUES	ACTION TAKEN
Computer facilities are required to improve the technical skill	More activities are decided to foster Technological skill,
Need some practical activities to improve problem solving and critical thinking	Creative and innovative activities are decided . Fieldtrip and workshop activities are integrated to foster critical and problem solving skill
